- c. Pepperweed Patrol- 2nd year of an early detection rapid response initiative about to start.
- d. Proposed changes by the Pesticide Control Board..(Doug Cygan)
- e. CWIPP has been invited to present or participate in the Northwood Meadows Northwood Area Land Management Collaborative (NALMC) www.nalmc.net is organizing an outdoor event on July 11th at Northwood Meadows State Park
- f. Aquatic Nuisance Species Management Plan- under final review targeted for completion in Fall 2009.
- g. Funding Opportunities

Pulling Together Initiative: Pre proposal due June 30, 2009- The Pulling Together Initiative seeks proposals that will help control invasive plant species, mostly through the work of public/private partnerships such as Cooperative Weed Management Areas. PTI applications are accepted from private non-profit (501)(c) organizations, local, county, and state government agencies, and from field staff of federal government agencies. Individuals and for-profit businesses are not eligible to receive PTI grants, but are encouraged to work with eligible applicants to develop and submit applications to PTI.

- h. Invasive Control Factsheets
